

## **1. Information we collect**

- a. When you register as a member of MSEA Peritan: we collect personally identifiable information when you register as a member of MSEA Peritan, such as your first name, your last name, your date of birth, your address, your phone number, your email address, and your Maastricht University student number. Furthermore, we may collect other non-personally identifiable information such as your membership status of the Maastricht University Sport Center - because of legal requirements. We collect your address, your phone number, and your email address to be able to notify you of important information regarding your MSEA Peritan membership and to contact you after your registration.

## **2. How we share the information we collect**

- a. Personally Identifiable Information: when provided, your first and last name as well as your Maastricht University student number might be shared with the Maastricht University Student Sports Council (MUSST). They will use this information to examine the amount of MSEA Peritan Members who have either a Sports or All-in Membership, which they can communicate back to the Board of MSEA Peritan.
- b. As MSEA Peritan is a member of the NBSE (Dutch Federation for Student Esports), the NBSE receives a list of all current members before their GMA's in order to determine the amount of votes our association will have during their GMA. This list includes names and addresses, which are mandatory according to Dutch law to be able to identify someone. Additionally, the list includes email addresses. The NBSE is obligated to have email addresses according to their statutes.  
Other personal information will not be shared with anyone. The only people with access to this information are the current members of the MSEA Peritan Board.

## **3. How long we hold your information**

- a. We will retain your Personal Information for as long as needed or permitted in light of the purpose(s) for which it was obtained and consistent with applicable law. The criteria used to determine our retention periods include: The length of time we have an ongoing relationship with you and provide the services to you, or whether there is a legal obligation to which we are subject. Information of people without an active MSEA Peritan membership will be retained no longer than 5 years.
- b. We seek to use reasonable technical and organizational security measures to protect personal information within our organization. Unfortunately, no data transmission or storage system can be guaranteed to be 100% secure.

## **4. Changes to our Privacy Statement**

- a. As our service grows, so will our Privacy Policy. We will notify our members when the Privacy Policy changes.
